

Tri-City Quilters' Guild, 27th Annual Quilt Show, March 26-27, 2010

Application to Advertise in Show Program

Nearly 2,000 quilters and guests attended the TCQG Quilt Show last year, and each of them received a beautiful commemorative program. Was your company's advertisement included? Here is your chance to target selectively hundreds of your best potential customers through the Guild's 27th Annual Quilt Show. It is a cost-effective way to announce discounts, draw quilt show patrons into your shop, advertise your upcoming quilting classes, and promote new fabric lines, tools and equipment you offer!

You need not participate in the Merchant Mall to advertise in the program. Again, this year, the show's 5-1/2 x 8-1/2" program will have a color cover, printed on high quality paper stock.
